Run Huang

✉ runhuang@usc.edu   🏠 iamhuang.run   ⌂ itsrun

Research interests

Human–Computer Interaction • Intelligent User Interfaces • World Wide Web

Education

2023 – now	**University of Southern California**, Los Angeles, CA, USA Ph.D. in Computer Science Advisor: *Souti Chattopadhyay*
2019 – 2023	**Fudan University**, Shanghai, CN B.S. in Computer Science

Publications

2024	**A Tale of Two Communities: Exploring Academic References on Stack Overflow** Run Huang, Souti Chattopadhyay The ACM Web Conference (WWW), Short Paper
2022	**Locating CDN Edge Servers with HTTP Responses** Run Huang, Mengying Zhou, Tiancheng Guo, Yang Chen ACM SIGCOMM, Demo Session First Place in Student Research Competition

Awards, Grants, and Fellowships

2023 – 2028	Annenberg Fellowship
2023	USC Graduate School Travel/Research Award
2022	First Place, ACM Student Research Competition SIGCOMM 2022 Travel Grant
2021	Tencent Cloud Undergraduate Research Award

Experience

2023 – now	**USC**, Adaptive Computing Experiences (ACE) Lab, *Graduate Research Assistant*
2022 – 2023	**Siemens**, Digital Industries Software, *Software Engineer Intern*
2021 – 2023	**Fudan University**, Big Data and Networking (DataNET) Group, *Research Assistant*
Fall 2021	**UC San Diego**, Design Lab, *Visiting Student Sponsored by UCEAP*

Presentations

May 2024   **A Tale of Two Communities: Exploring Academic References on Stack Overflow**
Poster presentation at *The Web Conference* 2024, Singapore

Aug 2022   **Locating CDN Edge Servers with HTTP Responses**
Poster presentation at *SIGCOMM* 2022, Amsterdam, Netherlands

Teaching

Fall 2024   **CSCI 571: Web Technologies**, USC
Teaching Assistant

Summer 2022   **Intro to C Programming**, Fudan University
Undergraduate Teaching Assistant
